

2024 RNDS

connect. care. cure.™

A three-day hybrid educational
conference for those affected by
rare neuroimmune disorders

October 18 - 20, 2024

Hosted by

Siegel
Rare Neuroimmune
Association

UT SOUTHWESTERN
Medical Center

Presenting Education Sponsors

Champion Sponsor

2024 RNDS

The Siegel Rare Neuroimmune Association (SRNA) is a non-profit advocacy organization dedicated to advancing research and clinical care and providing support through networking and education to those affected by rare neuroimmune disorders - acute flaccid myelitis (AFM), acute disseminated encephalomyelitis (ADEM), MOG antibody disease (MOGAD), neuromyelitis optica spectrum disorder (NMOSD), optic neuritis (ON) and transverse myelitis (TM). Our stakeholders include individuals diagnosed with rare neuroimmune disorders and their families/friends, clinicians, and scientists. In 1999, we held the first international symposium about rare neuroimmune disorders, with more than 100 attendees from all over the world. Since then, we have held a 3-day symposium every other year to bring together individuals diagnosed with rare neuroimmune disorders and the clinicians and researchers that focus on these disorders.

On October 18 – 20, 2024, we will host a hybrid event—participants can choose to attend either in-person, virtually via online streaming, or partly in-person and partly online. **This hybrid event will take place both online and in person** at the Hyatt Regency DFW Airport, 2334 N International Pkwy, Dallas, TX 75261.

We remain committed to hosting a conference that empowers our rare disease community to become better advocates for themselves and provides valuable resources to keep learning about these rare conditions.

Objectives

Acquire an understanding of rare neuroimmune disorders (ADEM, AFM, MOGAD, NMOSD, ON, and TM) and how they relate to each other.

Learn about the latest therapies and strategies to manage the symptoms associated with these chronic rare neuroimmune disorders, including clinical studies and future treatment strategies.

Audience

This conference is open to all individuals diagnosed with ADEM, AFM, MOGAD, NMOSD, ON, and TM, their families and caregivers. Medical professionals interested in these disorders are also welcome to attend. SRNA can provide certificates for attendance for those who would like to apply for continuing education credits.

Connect

Attendees will have the opportunity to connect with one another, share experiences, interact with medical professionals and researchers, learn about and participate in research studies and SRNA programs during the three-day educational symposium.

Become a 2024 RNDS Sponsor

By becoming a sponsor, your company will gain significant visibility and connection with industry leaders, professionals, and attendees. We look forward to partnering with you for an impactful event!

Sponsorship Levels

WiFi Sponsorship | \$7,500

Provide seamless connectivity for all attendees during the three-day symposium. As the WiFi sponsor, your company will have the opportunity to select the password for the network, ensuring visibility with every login.

Benefits

- Two (2) registrations to attend the symposium
- Exclusive branding on WiFi login page
- Company name featured in event program and signage
- Recognition on all symposium-related communications in print and online
- Dedicated exhibit space during the education program

Wellness Room Sponsorship | \$5,500

Support attendee well-being by sponsoring our Wellness Room, a private space for relaxation and rejuvenation. This room will feature comfortable lounging chairs, private barriers, iPads, headphones, aromatherapy scents, and infused waters.

Benefits

- Two (2) registrations to attend the symposium
- Branding within the Wellness Room
- Recognition in event program and on-site signage
- Recognition on all symposium-related communications in print and online
- Dedicated exhibit space during the education program

Thank you to UCB for sponsoring the wellness room

Barista Break Sponsorship | \$3,000 (Two Available)

Enhance attendee experience with a sponsored Barista Break on either Friday or Saturday. This includes a coffee bar featuring your branding on all cups and a prominent banner at the coffee station.

Benefits

- Two (2) registrations to attend the symposium
- Recognition on signage at the coffee bar
- Logo on coffee cups served during the break
- Acknowledgment in event program
- Dedicated exhibit space during the education program

Thank you to KKI/ICSCI for sponsoring the barista break

Exhibitor Sponsorship | \$2,000

Join us as an exhibitor and engage directly with attendees. This package includes two registrations for the symposium and an exhibit space on-site.

Benefits

- Two (2) registrations to attend the symposium
- Recognition on symposium-related social media communications
- Dedicated exhibit space during the education program

In-Person Recognition

For all our sponsors attending the event in-person at Hyatt Regency DFW Airport from October 18-20, 2024, a dedicated room has been reserved as the exhibit area. Additional details will be provided to all sponsors.

Online Recognition

As a sponsor, you will have a dedicated online Expo Area booth— the exhibitor hall of digital exhibitor booths at the 2024 RNDS. Attendees can visit the Expo Area and learn about your organization. Additional details will be provided to all sponsors.

Sponsorship Form

Company or person(s) name: _____
