

THE  
TRANSVERSE  
MYELITIS  
ASSOCIATION

# Join us for a fun Walk-Run-N-Roll

Saturday, October 4, 2014 | Cottonwood Creek Park, Irving, TX

People of all ages are welcome to join us as we walk, run or roll via wheelchair to benefit The Transverse Myelitis Association (TMA).

## 2014 TEXAS Walk-Run-N-Roll FOR THE TMA

Raising funds and awareness for  
rare neuro-immune disorders

**TM** (Transverse Myelitis) | **NMO** (Neuromyelitis Optica or Devic's Disease)  
**ADEM** (Acute Disseminated Encephalomyelitis) | **ON** (Optic Neuritis)

### WHERE:

#### **Cottonwood Creek Park**

4051 N Story Rd  
Irving, TX 75038

### WHEN:

**Saturday  
October 4, 2014**

**09:00 a.m.** Registration,  
Events, Food, Door Prizes

**10:00 a.m.** Guest Speaker,  
Dr. Ben Greenberg, UTSW

**10:30 a.m.** Race

### WHY:

This event is dedicated to raising funds and awareness for The TMA and helping people with these disorders and their families meet others for support, sharing and education.

## About The TMA:

The TMA is a 501(c)(3) nonprofit disease advocacy organization, focused on rare neuro-immune diseases, including Acute Disseminated Encephalomyelitis (ADEM), Neuromyelitis Optica (NMO), Optic Neuritis (ON) and Transverse Myelitis (TM). These diseases can affect children and adults at any age by causing inflammation of the spine, brain or optic nerve. Disability and paralysis may occur. TMA provides services such as camps for children and families, supports awareness through education and fosters basic science and clinical research.

**There is no cure but early diagnosis may lead to a better outcome.**
